Dear Mr. Evans:

Enclosed please find amendments to the Freedom Project reports covering the periods September 1-30, 1996 and October 17-November 25, 1996.

The Freedom Project has incorporated your suggested changes into the September monthly report and has corrected Line 11(a)(i) of the detailed summary page for the 30 day post general report. It has also redesignated the contributions listed in your correspondence. The contribution for Team Emerson '96, dated July 29, 1996 and the contribution dated September 12, 1996 for Tate for Congress were always intended to serve as primary-- not general campaign contributions.

It is further the understanding of the Freedom Project that the check received from the Puebla of Sandia, PAC on October 22, 1996 was derived from permissible funds.

Please let me know if you have any questions related to this correspondence. You could direct these questions to my office at the address listed above or call me at 202-857-8954.

Thank you for your attention to these matters.

Sincerely,

Patrick Morrissey, Esq.
